

## **Leadership Live admissions policy**

1. Admission to NPQML and NPQSL is open to all who apply and are able to fund (or have funded) their participation in the course.
2. NPQML is designed for those who have responsibility for leading a team (or are aspiring to), e.g. as a:
  - key stage leader
  - curriculum area leader
  - subject leader
  - head of development
3. NPQSL is designed for those who are involved in a range of activities that affect the whole school organisation (or are aspiring to be). Hence the programme is for:
  - senior leaders or those about to take on a substantive senior leader role with whole-school responsibilities
  - deputy/assistant heads who aren't aspiring to headship at this stage of their career
  - special education needs coordinators (SENCOs) and advanced skills teachers (ASTs) who are looking for professional development, but not aspiring to headship at this stage
4. NPQH is open to those who are:
  - aspiring headteachers or principals in a school or academy
  - no more than 18 months away from being credibly able to apply for a headship post

Admission to NPQH is subject to successful completion of the Gateway process, which is administered on our behalf by NPQonline.
